Bob/Pete,

I will be sending a series of e-mails this morning as I gather further information.

Thanks,  
Eric

Mr. Baylon,

Our crews did inspect the impacted drain system in University City and found no apparent debris. If you have any further questions please contact me.

Gus Brown

Acting Deputy Director

Operations and Maintenance Division

Storm Water Department

Dear Mr. Gust Brown:

Per our phone con on 12 Dec 2008, you mentioned that your crew inspected the outfall associated with the F/A-18 mishap and found no apparent debris or runoff issues. Please concur and confirm this E-mail for documentation and external (DEH, SWRCB) reporting purposes. Thank you for your assistance.
