To: Distribution List

Subj: QUARTERLY CHECKLIST OF EFFECTIVE MARINE CORPS AIR STATION
(MCAS) MIRAMAR DIRECTIVES ISSUED AS OF 31 DECEMBER 2003

Ref: (a) MCO 5215.1H

Encl: (1) List of effective Air Station Directives

1. Purpose. To publish a checklist of effective MCAS Miramar Directives, as per the reference.

2. Information. Station Directives are published in the Miramar Website at www.miramar.usmc.mil. Once you are in the website, you can view and/or obtain copies of directives by clicking "Site Index," then "Directive Control Point." Addressees are not required to maintain a complete library of Station Directives. Since all directives are available on the website, only originators of a directives are required to maintain their directive(s) for updates and annual reviews. The Directives Control Point (DCP) under the Adjutant Division is overall responsible for Station Directives.

3. Action

a. Addressees will review their directives files, using the enclosure to determine whether their directives are still current. Any directive requiring changes, revisions, or updates prior to its anniversary publication month will require the originator to notify the Station Adjutant, DCP for assistance.

b. Upon receipt of a Directives "Annual Review" letter, addressees will review their directive to determine whether it requires revisions, changes, cancellation, etc. Once final determination is made, return the letter to the DCP for appropriate action.

c. Directives issued by this Headquarters prior to 31 December 2003 that are not listed in the enclosure are cancelled and will be removed from the official files and the Miramar Website.
